

Pet Policy

We understand how important our four-legged friends can be and how much they enjoy the beach. It is our goal to provide you with a wonderful and safe visit with your loving companions. For the comfort and safety of all guests and pets, we kindly ask that all pet owners act responsibly with their pets.

Indoors:

- **Please do not leave pets unattended in your room, on the property or in your vehicle.**
- If your pet has an unfortunate accident in the room please let the front desk know immediately so we can assist in cleaning it properly.

Outdoors:

- Your pet must be on a leash at all times.
- Please use the doggy bags provided in the pet package.
 - **Please keep your pet out of the flowers and shrubbery.** Our landscapers work hard to keep them pretty.
- Please do not bathe your pet in the bathtub/jetted tub/shower. Please use the hose near the main entrance.

Please do **NOT** leave animals alone in your vehicles.

General:

- All pets staying with us should have all current vaccinations.
- Many areas do not, but here at the beach we have sand fleas. To help protect our 4 legged friends we recommend you treat them with a systemic flea treatment about 2 weeks prior to your visit.
- The Gilbert Inn allows a maximum of two pets per room.

Fees: \$20.00 per night, per pet. Guests are responsible for any and all injuries and/or property damage related to their pet(s). Guest agrees to indemnify and hold harmless the The Gilbert Inn property, its operators, and owners from all liability and/or damage suffered as a result of their pet(s)

If your pet disturbs other guests during their stay you can be held responsible to pay for their lodging
